POWERFUL. VERSATILE. ELEGANT.

Thermador® | *An American Icon*®

DWHD630GCP MODEL SHOWN

THERMADOR: BEST IN COOKING, BEST IN CLEANING.

Discerning cooking enthusiasts demand dish care solutions that meet the high standards they set for their cooking appliances. With this latest collection of dishwashers, Thermador delivers without question.

There are eight models to choose from, each able to accommodate anything from large pots and pans to a record number of crystal wine glasses, ideal for the host who entertains frequently. Filled with unique features and innovative technologies that enhance both convenience and cleaning effectiveness, this newest dishwasher collection lives up to our uncompromising standard of performance, consistently delivering superior results.

POWER

- Superior washing and drying
- Power wash option
- Extra dry option

CRAFTSMANSHIP

- Crystal Protect™ system
- Fine silverware cradle
- Powerfully Quiet™
- Heavy duty construction

DESIGN

- Sapphire Glow™ light
- Chiseled door
- Designer handle

VERSATILITY

- Largest capacity for wine glasses
- Chef's Tool Drawer™
- Versatile racking system

DESIGNED TO SURPASS ALL EXPECTATIONS

Innovative technologies adjust wash cycle, water flow and temperature for optimum performance, efficiency and hygiene. Design features such as our versatile racking system, the Extra-Tall-Item™ sprinkler and the CrystalProtect™ system offer the utmost in convenience and gentle dish care. But Thermador dishwashers aren't only impressive in their performance, they're also Powerfully Quiet™, thanks in part to an advanced network of systems that provide incredible cleaning power and exceptional drying results all while reducing operating noise to a mere whisper.

POWER More power to deliver superior cleaning results.

POWER WASH™

- The Power Wash option combines powerful water pressure with increased water temperature to deliver the ultimate in heavy-duty washing performance throughout the dishwasher

EXTRA DRY OPTION

- Higher drying temperature and a longer drying phase
- Delivers superior drying results, especially for plastic dishes such as Tupperware®
- Sanitizes 99.9% of bacteria

HAND WASH PROGRAM

- Excellent cycle for delicate or lightly soiled dishes
- Delivers superior cleaning results and water efficiency
- For fine china and crystal

DOSAGE ASSIST

- Ensures that dishwasher tabs dissolve gradually
- Constant delivery of detergent for more effective cleaning throughout the cycle
- Optimizes performance

Features vary by model. For a full description of features and models see pages 6-7.

CRAFTSMANSHIP Built to impress—inside and out.

POWERFULLY QUIET™

- Advanced engineering makes Thermador dishwashers so quiet, you won't even notice they're operating
- Features a PowerBeam™ light that shines on floor to let you know dishwasher is on

CRYSTAL PROTECT™ SYSTEM

- Adjusts the water softness during the cycle
- Perfectly clear crystal, free of water spots
- No hand washing required

FINE SILVERWARE CARAFE

- Aluminum construction
- Protects valuable sterling silver flatware from damaging oxidation
- Allows sterling silver to be washed in the dishwasher

INDESTRUCTIBLE QUALITY

- 18/10 grade stainless steel tall tub
- Rigorously tested for quality
- Heavy-duty door and latch

DESIGN Beautifully complete your Thermador kitchen.

DESIGN OPTIONS

- Choose a Professional or Masterpiece handle
- Choose flat, chiseled or custom panel option
- Sapphire LED lights

SAPPHIRE GLOW™ LIGHT

- A sparkling blue light illuminates stemware and brings perfect results to light

DISHWASHERS FEATURES

VERSATILITY Accommodate the widest range of items in the most versatile rack system ever.

ULTIMATE RACK SYSTEM

Our entirely new rack system with Rackmatic® offers 3 loading levels for amazing versatility and capacity. It holds wine glasses in the top rack while the Chef's Tool Drawer™ Accommodates utensils of various sizes.

CHEF'S TOOL DRAWER™

- Horizontally positions chef's knives, spatulas and other oversized tools
- Improved cleaning and easier loading and unloading
- Allows for additional capacity

TOP RACK

- Designed to expertly hold glassware for perfect cleaning results
- Folding tines can be repositioned

BOTTOM RACK

- All tines fold down to load large pots and pans
- Flexible silverware basket included (not pictured)

LARGEST WINE GLASS CAPACITY

- Accommodates up to 18 large wine glasses into the top and bottom rack, more than any competing dishwasher

EXTRA-TALL-ITEM™ SPRINKLER

- Sprinkler delivers powerful spray stream to ensure large items can be cleaned – without removing the Chef's Tool Drawer
- Cleans items up to 22 inches tall, such as platters and baking sheets
- Eliminates the need to hand wash

CAPACITY

- Accommodates up to 15 place settings, ideal for dinner parties
